'It's a beautiful day', by the Beach Boys

Living down in L.A.
Such a beautiful day
Whoa whoa whoa whoa

The skies are clear
It's a beautiful day in L.A.
People in motion
Our wheels moving all kind a ways
Indoors, outdoors, in the sun
There are people everywhere having fun, fun, fun
And when the moon and stars come out at night
We'll know what to do when we turn out the lights
(Turn out the lights, out the lights)
The freeways they are jammed with all kind of folks on their bikes
With asphalt surfers, they're all doing their lefts and their rights
Roller-skating, jogging, or a fancy bike
You can get around most anyway you really like
And when the sun is down and the stars are bright
I can hardly wait to get to hold you tight
(Hold you tight, hold you tight)

Riding the fast lanes, and ballet in leisurely flight
People in motion the streets there a beautiful sight
In good times, sunshine, you'll feel alright
We'll maybe even do an afternoon delight
You're sure to get as high as the clouds above
Participating in this little dance of love (dance of love, dance of love)

The freeways are jammed now
The cars have disappeared from the scene
Because gone to work or to play
They use a whole another kind of machine
